Leap Jane Breskin Zalben

Daniel says: life caused me to grow up fast. Real fast. Like overnight.

Krista says: The real me—the one who knew I should treat Daniel the way I'd want to be treated—was angry at the other me. I just didn't want to lose Bobby by taking sides with Daniel.

Daniel and Krista used to be inseparable. Now that they're older, they've drifted apart—but when an accident leaves Daniel temporarily paralyzed, he needs his old friend more than ever. And Krista wants to help him. Only it's not as easy as it seems, not when Krista's feelings for another boy, Bobby, keep getting in the way. And it doesn't help that Daniel and Bobby were both star swimmers—before Daniel's accident, that is. Growing up is hard on everyone, but it's up to Krista to prove how strong friendship can be.

From the Hardcover edition.

From reader reviews:

Willie Clark:

Book is usually written, printed, or created for everything. You can recognize everything you want by a publication. Book has a different type. As we know that book is important factor to bring us around the world. Beside that you can your reading skill was fluently. A publication Leap will make you to end up being smarter. You can feel a lot more confidence if you can know about everything. But some of you think this open or reading a book make you bored. It's not make you fun. Why they may be thought like that? Have you trying to find best book or appropriate book with you?

Della McDonald:

Do you among people who can't read satisfying if the sentence chained in the straightway, hold on guys this particular aren't like that. This Leap book is readable by simply you who hate those perfect word style. You will find the information here are arrange for enjoyable examining experience without leaving even decrease the knowledge that want to offer to you. The writer associated with Leap content conveys the thought easily to understand by lots of people. The printed and e-book are not different in the information but it just different such as it. So , do you nonetheless thinking Leap is not loveable to be your top record reading book?

John Keaney:

The reserve untitled Leap is the e-book that recommended to you to read. You can see the quality of the reserve content that will be shown to a person. The language that publisher use to explained their way of doing something is easily to understand. The article author was did a lot of investigation when write the book, hence the information that they share to you personally is absolutely accurate. You also will get the e-book of Leap from the publisher to make you a lot more enjoy free time.

William Reyes:

Leap can be one of your nice books that are good idea. All of us recommend that straight away because this guide has good vocabulary that could increase your knowledge in terminology, easy to understand, bit entertaining but nevertheless delivering the information. The writer giving his/her effort to set every word into pleasure arrangement in writing Leap although doesn't forget the main level, giving the reader the hottest and based confirm resource data that maybe you can be one of it. This great information can easily drawn you into brand-new stage of crucial pondering.
