No More Stuttering - No More Stammering: A Physiological and Spiritual Cure for Stuttering Rabbi Zion Yakar

Because of his background in singing and the immense knowledge that Rabbi Zion Yakar possesses concerning voice production, breath control, the anatomy and physiology of speech, and in-depth spiritual training, he was called upon to help young stutterers overcome their handicap. He found that when he combined his unconventional and unique method of “diversionary thinking” with his knowledge of human voice-production, his spiritual faith in divine intervention, and psychosomatic instruction in self-renewal, the results were overwhelmingly successful. This book is a culmination of many years of research and positive experiences in working with stutterers. He shares his time-tested and truly unconventional philosophies and practical approaches with stutterers in this book.
