The Pagan Man: Priests, Warriors, Hunters, and Drummers Isaac Bonewits

Men's Spirituality Today Who are the men who've chosen the Pagan path? They're fathers, sons, brothers, and lovers, warriors, healers, and poets. They come from every background and profession, and they're blazing trails into new social, cultural, and political territories, defining themselves in a faith community traditionally seen as dominated by women—yet they've been there all along!

Isaac Bonewits, one of America's leading experts on ancient and modern Paganism, breaks new ground with this fascinating portrait of the fastest growing religious movement in the Western world. Drawing on interviews with over forty Pagan men—and his own forty years in the Neopagan community—he explores the issues and desires that have led tens of thousands of men to embrace Pagan spirituality. He examines the ways in which men have created, added to, and benefited from the Pagan experience, incorporating their own rituals, rites of passage, and symbols. The Pagan Man offers novices and experienced practitioners a wide range of practical information on every aspect of the Pagan lifestyle, including

Today's most popular Pagan traditions

Sages, wise men, and well-known Pagans of our time

Bardic circles, drumming circles, and other Pagan gatherings

Drumming, dancing, and calling down the Gods

The nine virtues, codes of chivalry, and other core Pagan beliefs attracting men and boys today

Pagans and the Goddess—women as partners and Goddesses Frank, engaging, and inspirational, this book encourages Pagan men of every stripe—Wiccans, Druids, Norse Pagans, or even Masons—to step away from the shadows and stereotypes, and joyfully celebrate their own special relationships with the Gods and Goddesses of the New Old Religions.

From reader reviews:

Corey Gardner:

Reading a e-book can be one of a lot of action that everyone in the world adores. Do you like reading book therefore. There are a lot of reasons why people love it. First reading a publication will give you a lot of new info. When you read a book you will get new information since book is one of several ways to share the information or maybe their idea. Second, reading through a book will make you actually more imaginative. When you reading a book especially fictional book the author will bring someone to imagine the story how the people do it anything. Third, you are able to share your knowledge to other people. When you read this The Pagan Man: Priests, Warriors, Hunters, and Drummers, you can tells your family, friends and soon about yours e-book. Your knowledge can inspire the mediocre, make them reading a e-book.

Michelle Wilson:

People live in this new moment of lifestyle always try to and must have the time or they will get lots of stress from both daily life and work. So , if we ask do people have extra time, we will say absolutely without a doubt. People is human not really a huge robot. Then we request again, what kind of activity are there when the spare time coming to anyone of course your answer may unlimited right. Then do you try this one, reading ebooks. It can be your alternative throughout spending your spare time, often the book you have read is The Pagan Man: Priests, Warriors, Hunters, and Drummers.

Margaret Walker:

Is it you who having spare time subsequently spend it whole day by simply watching television programs or just lying on the bed? Do you need something new? This The Pagan Man: Priests, Warriors, Hunters, and Drummers can be the reply, oh how comes? It's a book you know. You are so out of date, spending your free time by reading in this completely new era is common not a nerd activity. So what these guides have than the others?

Courtney Osteen:

As we know that book is significant thing to add our know-how for everything. By a book we can know everything you want. A book is a pair of written, printed, illustrated or even blank sheet. Every year had been exactly added. This reserve The Pagan Man: Priests, Warriors, Hunters, and Drummers was filled regarding science. Spend your time to add your knowledge about your scientific disciplines competence. Some people has several feel when they reading any book. If you know how big benefit of a book, you can really feel enjoy to read a e-book. In the modern era like at this point, many ways to get book that you just wanted.
